

MACHINE BASICS

Supply List

This class is to get you better acquainted with your machine—new or “new to you”, or as a refresher. We will go over care and maintenance, basic skills and settings, and basic stitch techniques.

Bring: Sewing machine (no embroidery attachment) with power cord and foot control

- Accessory Box, Presser feet or “bag of extras” that came with your machine
- Washable or air dissolve marker
- Empty bobbin
- Spool of thread
- Scissors
- Screwdriver
- Lint Brush

*****these items are available at Richland Sewing Center***

Fabrics and any other needed items will be supplied at the class
