Machine with cord (this is not embroidery so don't bring your embroidery arm)

24 in ruler for cutting pieces

Rotary Cutter

Pins

Scissors

Open Toe foot if you have it.

I will make kits if you want one. They would be full kits with all the fabric, and all the applique pieces pre cut, but you would need to furnish your own fusible foam. Please note that if you order a kit and cannot make the class you will still be responsible for purchasing the kit. The cost will be around \$25 - \$30 for everything.

Any questions you can call me at 817 475-6093 – Earleen Isbell
