

FALL FLAG EMBROIDERY

Supply List

This is a brand new design from Janine Babich and it is so pretty—it comes in two sizes—one for 8 X 12 hoop and one for the 6 X 10 hoop. My sample is done on the OESD garden flag, which is available in black or cream. These flags come in a set of two per package, and we need to know which color you would like. (pictured below) The placement is done in two hoopings but there are placement lines that make it easy!
