Sewing Notion: Applique scissors, small sharp scissors, seam ripper, Fray Check, rotary cutter, ruler, etc.

This event has very cute elements to add to your Fall decorations. There are two sizes of plush acorns. The kit only includes felt for the smaller acorn. There is a small amount of machine sewing needed to close the acorn after stuffing. The sticky back stabilizer is a must for embroidering on ribbon and screening. All other embellishments and foundation pieces are included in the kit. Call with any questions, Deborah Morris, 817-925-8756.
