

Christmas Table Runner

Come join us to make a quick and easy table runner. This pattern is a modified version of the Enchanting Quilt from the The Magic of 3-yard quilt book by Fabric Cafe.

One of the fun things about creating a project, your options are endless. In my class sample I took a 4th fabric to add more dimension. Not required but if you want to do the same you will need 1 more fabric. A fat quarter of a 3" strip WOF (width of fabric) to create this look.

If you plan on making the quilt you will need to bring 1 yd of 3 coordinating fabrics.

You will need to purchase The Magic of 3 yard quilt book

Bring:

Fabric - $\frac{1}{3}$ yard of 3 coordinating fabrics

Optional 3" WOF of 4th fabric

Backing and Batting will depend of the size you choose to create

Sewing machine with power cord and foot control

good needle

$\frac{1}{4}$ " foot for those perfect seams

Thread for piecing and bobbins

Rotary Cutter

Quilt Ruler (there are some in the classroom we can borrow)

Scissors

Pins and or fabric clips to help keep seams lining up!
