

Poinsettia Fabric Wreath Supply List

by Barb Hembree **817-913-1232**

12" x Width of Fabric of 2 different fabrics to create the petals. Makes 4 petals of each fabric (I ironed on **fusible flex foam** to the back of each of these fabrics.)

12"x24" of green fabric for leaves this will make 4 leaves
(I ironed on **fusible flex foam** to the back of this fabric.)

9"x WOF of 2 fabrics or 18" of 1 fabric that can be folded in half for the tail that hangs at the bottom of the wreath.

SF101 to iron on the back of the wreath tail fabric to provide some stiffness in the tail.

12"x12" fabric of your choice for center. (I ironed on **fusible flex foam** to the back of the main fabric.)

Fabric scraps (I used green and red) for the center design if using my center design. You can use your choice of design for center of poinsettia.

Heat n bond light if appliqueing the center design.

4" x WOF for hanger (no flex foam used in hanger)

1 6" and 8" circle of cardboard (I use cake boards from Hobby Lobby)

Glue sticks and Glue Gun

Embroidery Machine, Embroidery unit, power cord and foot control

Embroidery foot

Embroidery Hoop – DIME magnetic hoops work great or hoop that are at least

10 5/8 wide by 10 5/8 tall. If you need a smaller version due to your hoop limitations please let me know and I can resize to fit your machine. You will be removing your hoop a few times for trimming and adding your lining fabrics.

Embroidery Bobbins and thread to coordinate with your fabrics

Rotary Cutter/Ruler/Scissors/Other basic sewing supplies

With the exception of the glue gun, glue sticks and cardboard circles all other supplies are available for purchase at Richland Sewing Center.
