

# HOCUS POCUS PILLOW

## Supply List

*This pillow is so cute for the season, and ask those who made it a couple of years ago here (one student made 18!) how much fun they are. The pattern is a print that will be provided—*

Bring: Sewing machine with power cord and foot control

\*\*\*If you plan to embroider the words -bring your unit, foot, hoop and supplies for that—see my sample.

- Open toe foot if available
- regular sewing foot and  $\frac{1}{4}$ " foot
- 1/2 yard SF101 (or similar product) and Heat 'n bond fusible
- 18" square of fusible fleece or batting
- Threads for applique (see photo)
- Pre-filled or standard bobbin
- Sewing thread for construction (Aurifil)
- Scissors and basic sewing supplies
- Rotary cutter and ruler

**Fabrics** for: Prairie points, Pillow Front, Pillow back (1/2 yard) , Pillow panels, (10  $\frac{1}{2}$ " x 15" for bottom, 5  $\frac{1}{2}$ " X 15 for top) ribbons for trim on feet, stockings and feet (see photo)

*We have lots of great Halloween fabrics available here!!! Choose a few cute pieces for the stockings and shoes—make it fun!*

You will also need a pillow form (14"-16") and fabric for your edge binding—I used 2 2  $\frac{3}{4}$ " strips or you can turn your pillow.

The words at the top of the sample were done in embroidery—if you don't want or cannot do that I will have heat transfer vinyl available to cut and press the words.
