Christmas Sweater Garland

Aine McCarthy
Class # 444 Nov 19 and Dec 10

This is a fun, NEW project to create a garland of Christmas Sweaters - and these aren't Ugly! Stitch them for ornaments, gift tags, quilt blocks or table decor.

Supply List:

- USB stick to transfer files. Make sure the stick is EMPTY -- no files, no photos
- Embroidery machine with power cord, embroidery foot, embroidery module.
- Embroidery needles: Size 75/11 sharp point
- Bobbin with white embroidery bobbin thread (pre-wound is fine)
- Embroidery thread (40wt. polyester) to match the color of the sweater and various other holiday colors, depending on the design
- Empty bobbin OR pre-wind a bobbin with thread to match the felt color of the sweater
- Hoop: standard hoop 5 x 7”
- Stabilizer: Medium or light weight firm tearaway. Each sweater is done in one hooping. Bring enough stabilizer to fit your hoop and the number of sweaters you want to stitch (each sweater takes about 30 minutes from start to finish).
- Notions: pins, seam ripper, small snips, trimming scissors
- Temporary fabric marker
- Embroidery tape: pink, white, blue…your choice
- Hoop N Press Pad 5 x 7” size. Optional
- Two 8 x 6” rectangles of felt for the front and back of the sweater. High quality felt such as OESD Favorite Felt works best. Make sure you have thread and bobbin to match the color of the felt. **Available to purchase at Richland**
- Various colors of 4 x 4” felt squares for applique pieces.

Optional Garland Kit available from Richland: Kit is “holiday colors” contains string, clothespins and felt balls.
Price $9.99 – Please let them know ahead of time if you would like this kit
