

Embossed Christmas Towel

12/12/2025

Supply List:

Christmas Embossed Snow Globes- OESD designs (go to *RichlandSewing.com* to access and download from OESD)

USB with the designs loaded in your machine's format

Embroidery Machine, power cord, Embroidery Foot

Embroidery Unit

5x7 Embroidery Hoop (Designs measure 5.5x4.6. Make sure your hoop will accommodate this size design)

Tear Away Stabilizer

Wash Away Topper

90/14 Embroidery Needle

Neutral Embroidery bobbins

Embroidery Thread: I used White, Cream and Gold. It depends on the color of your towel. There are only 2 color changes.

Terry Cloth Hand Towel (about 18x23 size. If you are using a red towel, make sure it is colorfast or it will bleed onto your thread when washed)

Sewing notions: scissors, snips, making pen, seam ripper, small ruler, etc

Many of you have admired these embossed designs and not known how to get started. Do it in this class! I did not intend to include putting a border on the towel but we can discuss various options you might use. I will bring fabric for you to play with. Call with questions, Deborah Morris, 817-925-8756.
