Red, Green, White, Gold, Dark Green, Grey, Light & Dark

Brown

Sewing Notions as needed.

USB Stick to load the design

The design is something I have had on my computer for several years. I cannot find what design company I got it from. I have goggled it and not found it. So it will be available with the class. I have tweaked it a little. It makes a beautiful ornament. It does take a bit to stitch out but you will be very satisfied with the results. Call me with any questions. Deborah Morris, 817-925-8756.
