

## HUSQVARNA VIKING EPIC 3 EVENT

### Supply List—February 13 & 14<sup>th</sup>, 2026

*Karen will have a great trunk show to share at this event—lots of samples and great ideas. You will learn a ton about sewing, quilting and bag making and embroidery. You will be inspired to try new techniques!*

If you have an Epic 3 to bring for the event, bring your machine, power cord, foot control, embroidery unit, back extension and table

- Feet:--A B S and Sensor Q
- Zig zag plate and straight stitch plate
- Hoop—465 X 260 (you might bring others just in case!)

If you are bringing a Ruby 90, all of the above but a 360 X 260 hoop  
“Store” machines will be ready for you to use.

--Favorite sewing scissors, reading glasses if necessary and a sweater if you get cold easily—this is Texas—the weather changes daily!!

*We will break for lunch so you can bring your lunch—we have a refrigerator in the classroom and also a microwave. If you want to go out there are lots of food places close by that you can get to easily if you prefer that.*

*Fabrics and notions are included in your Riley Blake kit—but bring anything that you “must have” for projects!*
