

JANOME FEET CLASS

Supply List

This class will give you a chance to understand about some of the feet that came with your Janome machine, and to “play” and learn about some of the optional feet. I will provide some of the feet for you to try, with some “sharing” and then if you decide to purchase any of those feet you will enjoy a special discount!

Bring: Janome sewing machine with power cord and foot control

**no embroidery unit

- Accessory box or bag with feet that came with your machine
- Optional feet that you have purchased
- Thread and bobbin—Embroidery or cotton—pre-filled bobbin is fine
- Scissors and Ripper
- Marking pen—washable or Frixion or chalk
- Small ruler
- Screwdrivers—for ankle and needle
- Tear away stabilizer—light

I will provide fabrics and specialty threads
