

YOU ARE LOVED

Multi-layer Scan and Cut Project Supply List

This project uses 3 different types of HTV. Puff vinyl is so much fun to use! Come join us!

I will have vinyl Kits available for \$6

If you want to use your own vinyls, you will need 3 colors that are 6" x 12"

- Scan N Cut machine with power supply and mat
- USB stick so I can copy the design for you
- Weeding tool
- Scissors
