SEWING MACHINE APRON
Supply List

This project has been popular for several years, and several have asked me to teach the class again—so here we go. The techniques are not difficult but it is not a "quick" project. I used embroidery designs with sewing themes on mine, but that is not part of the pattern. If you want to embroider on some areas that is fine—I'm still "looking" for my original designs.

Techniques will include: Quilting Decorative Stitching
Making & sewing piping Binding

Bring: Sewing machine with power cord and foot control
- -Walking foot Standard foot ¼" Foot Zipper Foot
- -Quilt Bar (if available)
- -Fabric marker
- -24" ruler and rotary cutter
- -scissors and ripper
- -straight pins
- -Tearaway stabilizer
- -Thread & bobbin for seams and topstitching
- -Decorative (embroidery) threads

Fabrics: ¾ yard for short pockets & lining (blue stars on photo)
- -1 ½ yard for main mat top & lining (blue tooled leather on mine)
- -5/8 yard for tall pockets (red stars on mine)
- -1/2 yard for solid short center pocket and decorative panels (blue solid)
- -3/4 yard fusible fleece or Thermolam
- -1/2 yard fusible interfacing-Décor Bond
- -2 ½ yards 1/8" piping cord

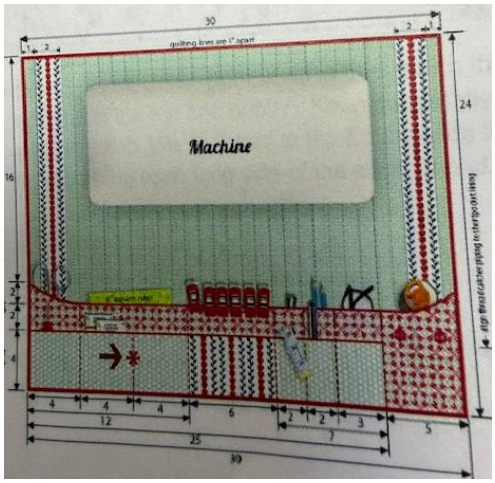

Diagram here shows the measurements of the mat —if your machine is larger or smaller we can adjust the sizes for you. (whole panel is 30" X 24")

To see the "real" project or ask questions just ask for Jeannie at the store!
