

This is an all-day integrative workshop using Cut N Stitch software, Canvas Workspace and Scan N Cut digital cutter to create gorgeous projects!!

Learning activities include:

- Use triple scoop ice cream cone artwork from Cut N Stitch to create cut files for HTV*. Create a faux rhinestone spray pattern to enhance the design. You will fuse the HTV onto an item you bring. Use the same artwork to create a machine-embroidered applique design. Red, blue, silver and tan HTV will be provided. You will see a demonstration on creating a rhinestone pattern.
- Create appliqué from a printed pattern outline. We will use **Little Hooters** by Connie Spurlock. Print out will be provided.
- Spring Vase: Create a design with appliqué and heat transfer vinyl.

Supply List:

- Laptop computer, power cord, mouse and mouse pad.
- Cut N Stitch software installed and activated on your computer. We will not be able to load software in class.
- USB stick 2 GB Empty -- Has no other files or pictures
- Optional: Notebook to take notes
- Scan N Cut Digital Cutter with power cord, stylus, weeding tools, brayer, etc. The cutter has to be able to do half-cuts.
- Cutting Mat
- Blue painters tape. Or pink, white temporary tape
- Scanning Mat if you have one. If not, a few will be available in class.
- Tote Bag, T shirt, sweatshirt, or other item for the HTV ice cream cone design. Final design is approx 8" x 5". We have RSC Canvas bags at N/C for students in the class.

KIT AVAILABLE! Let us know if you want a kit.

Barb will kit this project for \$12 (including artwork for the Spring Vase, all vinyl and tote bag). This kit includes the vinyl needed for the faux rhinestone spray around the ice cream cone.

If you want to bring your own HTV:

- Ice Cream cone HTV – ice cream colors, cone color. Each piece approx 3 x 4"
- Siser Glitter or Aurora HTV for the spray around the ice cream cone. At least 9" x 6". Available at Callie Pop Vinyl on Pipeline Road.

*HTV = HEAT TRANSFER VINYL
