

ZIPPERS, BUTTONS AND HEMS—OH MY!

Supply List

This is a workshop class for using your “feet” and machine tools—many that you “need to know” and most are included, but sometimes you just don’t know how to use them.

We will install zippers, make buttonholes and sew on buttons, and stitch several hem types using different stitches and feet.

Fabrics and zippers will be provided at the class

Bring: Sewing machine with power cord and foot control

Thread and bobbin to match (any color)

Presser feet: Buttonhole foot

Button foot (if not available it’s OK)

Zipper Foot (not invisible)

Blind Hem foot

Standard sewing foot

¼” foot

****If you are not sure which feet you have, just bring them all!!**
