

Fabric Floral Wreath Supply List

For Petals -

2 - 12in x WOF coordinating fabrics

1 yd backing fabric (used for Petals and Tail)

For Tail -

12in x WOF coordinating fabric

For Center -

12" square of coordinating fabric

1 2/3 yd - Fusible Flex Foam (used in Petals and Center)

24" x WOF SF101 or Fusible Fleece (Depending on the stiffness wanted in the tail) I used SF101 for the class sample.

Hanger fabric -

4" x WOF coordinating fabric

Other Items needed -

If you want to embroider on the petals, bring a coordinating thread for the embroidery.

Thread to match fabric for topstitching

Sewing/Embroidery Machine

Embroidery Unit

Cord Foot Control

Rotary Cutter

Scissors

24" Ruler

Pins/Clips

USB Stick for embroidery designs

Cardboard big enough to cut a 7" Circle and 7" Square

Hot Glue Gun/Glue Sticks (we will have some in classroom to use)

Note: this project can be made without embroidery so don't let that stop you from joining us for the project.
